

September 1, 2020

Dear pastors and supporting churches,

We want to reach out to you to both give a great big thank you for all of your support, and to give an update on the latest news with our ministry. We do hope that your churches and families are doing well during this pandemic. None of us planned on these unfortunate and uncertain events, but the Lord has still shown Himself faithful and has continued to supply all our needs, despite every obstacle and hardship. We also wanted to say that we greatly appreciate every church and ministry that has even given extra during this time. Your charity is not forgotten nor overlooked.

Concerning Crossroads, our most recent graduates of the Sons of God class are Rob Simokat and Justin Lisle. We believe in honoring men who finish what they start at the mission. Both graduated on July 30th and we are praying that God's will be done in their lives.

We are looking forward to our 19th annual Jubilee tent meeting this year! Unfortunately, we had to postpone our meeting till the late summer, early fall of this year due to Covid-19. However, we do believe that all things work together for the good and that the Lord will do a great work, regardless of any delays. God's timing is always right on time, and it's almost Jubilee time yet again! Our Jubilee tent meeting this year will be September 14th through the 18th. Please try to make it if you are able. You will not regret coming and getting a real blessing! We also wanted to announce our upcoming board meeting, which will be taking place Thursday the 17th of September, during the week of our Jubilee. The meeting will be at 4pm. We will be discussing our pursuit of opening a new thrift store, Lord willing. We look forward to what the Lord has in store for us and we're praying that God will expand our horizon for the ministry.

Our current needs for Crossroads are toilet paper, laundry & dish detergent, Dukes Mayo, and an AC window unit. We also have a new lawnmower that we had to purchase for \$10,200 and we are having to pay it off. Quiet Heart's current needs are toiletries and canned food. We do understand that times are tough right now, dealing with all of the shortages and limitations in 2020, but any help or financial support with the following mentioned would be greatly appreciated!

Please continue to pray for the Quiet Heart Women's Mission. They are pressing on and continuing for the glory of God! Classes are continuing for the women's mission and we will have more graduates in the near future, Lord willing.
